

Bladder & Bowel Community

Bladder & Bowel Foundation Product Information

Clothing and Swimwear

Male and female adaptive clothing comes in a range of garments that open up at the back, front and side. These items can aid independent living, make dressing easier for the elderly & people with disabilities or incontinence.

Protective briefs to wear under swimwear, secures faecal and urinary leakage in place, giving you time to find the nearest toilet.

Products Available

There are products available that can help you manage symptoms but it is recommended that you always seek advice from a health professional before you try any product as there may be other more appropriate options available to you.

If you are struggling with incontinence speak to your GP who can arrange for you to be assessed and issued with pads and pants. As an individual you can also choose to buy your products directly from a supplier.

B&BC aims to provide up-to-date and accurate product information. No liability is accepted for any errors in the information presented. B&BC endorses neither the companies nor the products listed here.

Product	Description	Size
Swimwear Undergarment Brief	This unique, discreet re-usable Incontinence Swimwear Undergarment Brief is for adults and teens dealing with incontinence. The adjustable brief is designed to be worn next to the skin under a swimming suit. It is mainly intended for bowel containment however it will protect a certain amount against urinary leakage. High tech stretch polyurethane fabric with soft fleece lining, elastic waist and legs for added security and a Velcro closure with fully adjustable sizing that opens up flat, for ease of dressing. Fully machine washable	Available in sizes X Small -5XL
Open Back Trousers	Ladies & Men's Polywool Open-Back Trousers - ideal for people in wheelchairs or who require hoisting. Look like standard tailored trousers but 2 large flaps overlap & fasten at the back making changing and toileting easier and less stressful.	Sizes Small - X Large in Black
Drop Front Trousers	Ladies & Men's Drop Front Trousers - crease free drop front trousers with Velcro fastenings on the waistband. Ideal for people with limited dexterity. Trousers open wide down to the hips making it easier to aid dressing or changing.	Sizes Small - XX Large in Black, Navy, Grey or Stone

Trouble Free Trousers	Ladies & Men's Trouble Free Trousers - smart tailored trousers with zips down to the hips on both side to aid dressing & toileting.	Sizes Small - XX Large in Black, Navy, Grey or Forest Green
All-in-One Pyjamas with Shoulder to Ankle Zip	Unisex pyjamas designed to enable carers to dress and undress the person from a lying position. The zip goes from the shoulder to the side seam and between the legs facilitating easier toileting. 100% interlock cotton.	Sizes Small - XX Large in Sky Blue
Short- Sleeve All-in-One Body with Side Zip	Ideal as a vest or pyjamas this unisex body suit is designed for people who have a tendency to disrobe inappropriately or when easy and quick access is required for toileting. Made from interlock cotton (100%) the body has short legs and short sleeves with zips which are placed on the outside of the garment to avoid pressure points. The zip goes from the shoulders to the side seam and between the legs.	Sizes Small - XX Large in White or Sky Blue
Open Back Nightie	A practical pretty polycotton nightdress for hospital patients and ladies with incontinence problems. The open-back design not only makes it easier to put on, but will make going to the toilet or using a bed-pan a more dignified experience. Completely overlaps at the back maintaining dignity at all times. 65% polyester and 35% cotton, 3/4 length and short sleeved.	Sizes 12 -30 in White with Pink or Blue Floral
Iona Seersucker Open Back Nightie	This pretty feminine open back nightie in soft cotton-rich seersucker is designed to ladies unable to wear a traditional over the head nightdress due to a variety of medical conditions including incontinence problems. Generous overlap at the back to ensure dignity at all times, shoulder opening and can be opened flat and put on from a lying or seated position. 65% cotton, 33% polyester, 2% elastine. Length: 42"	Sizes 10 -26 in Pink or Blue
Winter Open Back Nightshirt	Unisex back opening winter night shirt - warm, comfortable and practical! The just below the knee length avoids the garment gathering in bed, and gives easy access for changing incontinence products or a catheter. Ideal for assisted dressing, it slips easily up the arms from a seated, standing or lying position. Back opening with popper fasteners.	Sizes Small - X Large in Blue
Back Opening & Wrap Around Dresses	Range of pretty, back opening & wrap around dresses to make independent and assisted dressing, toileting & changing easier.	Sizes Small - X Large in various colours
Wrap Around Pleated Skirt	Suitable for independent and assisted dressing, this practical wrap-around skirt has a generous overlap at the back and four easy fasten poppers making toileting and changing quicker and easier from a standing or seated position.	Sizes Small - X Large in Navy or Teal
Men's Side-opening Underwear	Men's briefs made from 100% cotton and with Velcro on both sides for easy access. The ideal men's underwear for under drop-front trousers. Sold in packets of 3.	Sizes Small - XX Large in Grey
Ladies Side-opening Underwear	100% cotton ladies pants with Velcro fastening on both sides. Soft and comfortable next to the skin. Ideal for under our drop-front trousers and open-back dresses. Sold in packets of 3.	Sizes Small - XX Large in White
